Planning Commission: Appointed

Introduction

Briefly introduce yourself and state your interest in serving on a specific Board, Commission, or Committee

Hello! My name is Ryan Case and I am interested in serving as volunteer for the Planning Commission Alternate role. I have a background in construction, medical studies and have been a licensed real estate broker for almost 9 years. I am a Colorado Springs native who went to Cheyenne Mountain High School and then went on to graduate from The University of Colorado at Boulder with a Pre-medicine degree and business minor in entrepreneurship. I then went on to travel and live in Sydney, Australia before returning back home to Colorado Springs, CO during COVID in 2020. From there I have been heavily involved in the Colorado Springs HBA by completing the Emerging Leaders Program in 2022 as well as PPAR and the Colorado Springs Chamber & EDC events. I am a current Leadership Academy member of PPAR and a member of the Titans of Development with the Colorado Springs Chamber & EDC. As part of the Titans of Development Council, I am part of the Site Selection Committee where we help future prospective companies find sites that are suitable for their needs. My interest in the Planning Commission alternate position stems from my own interest in helping the community where I have been raised excel to new levels and learn more about all the land use activities in Olympic City USA. As a younger member in the workforce community, I believe my voice at the table will be valuable to bridge the generational gaps we are seeing in many industries. I appreciate the consideration and am happy to help answer any questions you all may have. Thank you!
