PROJECT SUMMARY

File #(s):

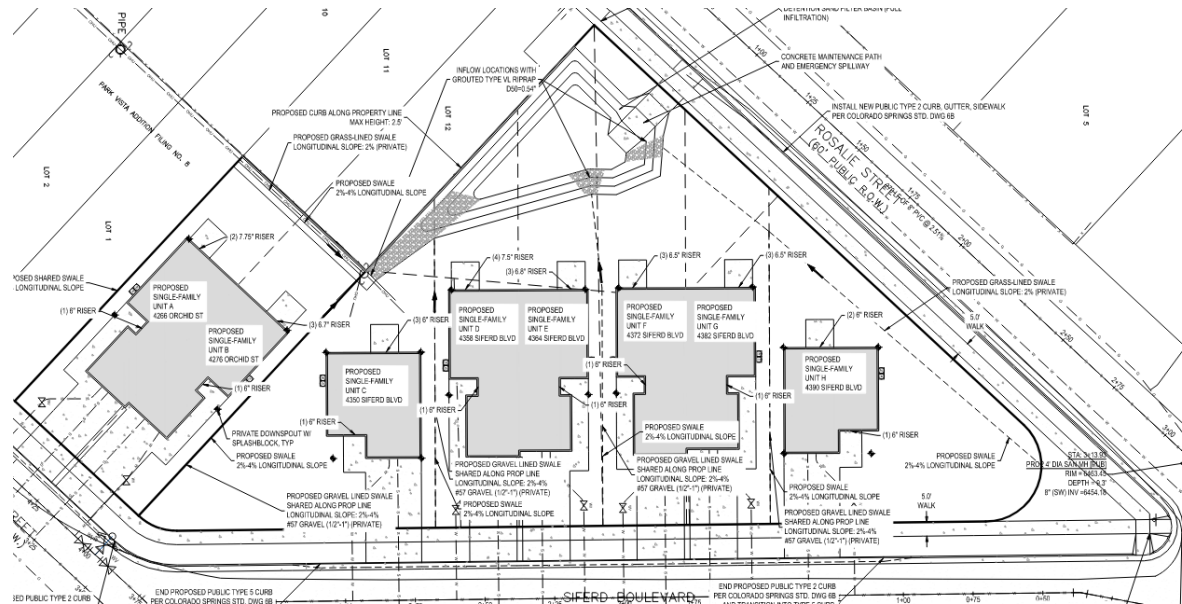

ANEX-22-0002, ZONE-22-0006, SUBD-22-0021

Project Proposal:

Annexation consisting of 2.18 acres, and a zone establishment and preliminary/final plat for 0.89 acres. The discrepancy in acreage is due to the amount of right-of-way required to also be annexed as a part of this proposal.

Application was reviewed under Chapter 7

SITE PLAN

Park Vista Addition No. 10

Annexation Plat

The proposed annexation consists of 2.18 acres and is located in the Park Vista enclave located east of North Academy Boulevard and south of Austin Bluffs Parkway.

This enclave has seen several annexations over the past ten years reducing the enclave and establishing surrounding residential development.

Within this area the existing county lots have historically annexed and established a slightly higher residential density than adjacent single-family residential to the east.

The lots have been annexed on a voluntary annexation basis by property owners wishing to convert the standard county lots into single-family attached and detached dwellings.

The properties gain access from Austin Bluffs Parkway as it transitions to residential road circulation.

This is a very active area of annexation and the City will most likely see the elimination of this enclave in coming years.
