Re: Woodmen Road Addition No. 3 Annexation Project Statement

Woodmen Road Addition Number 3 annexation is for a small section along the northerly portion of Woodmen Road right-of-way located midway between Westwood Road and Cedar Valley Lane. This annexation area is comprised of 0.1075 total acres and is contiguous to the city limits along the southerly and easterly portions.

Woodmen Road in this area is mostly within the City limits with the exception of this small section. The City has received a quitclaim deed from El Paso County for this section and now is being submitted with the annexation petition. Since the parcel being annexed is for right-of-way only there will be no requirement to establish a zone.
