# APPLICATION REVIEW CRITERIA

## 7.5.704: Zone Change

### Criteria for Approval

1. The proposed rezoning is consistent with the goals and policies of the Colorado Springs Comprehensive Plan, with other plans and policies adopted by the City Council; and with the purpose statement of the proposed zone district(s).
2. The rezoning will not be detrimental to the public interest, health, safety, convenience, or general welfare.
3. The location of the lands in the zoning map area being amended are appropriate for the purposes of the proposed zone district(s).
4. If the application proposes to rezone a small area of land, the application demonstrates that the size, scale, height density, and multimodal traffic impacts of the proposed rezoning are compatible with surrounding development or can be made compatible with surrounding development through approval conditions.
5. If the application proposes to rezone a relatively small area of land, the application demonstrates that the change in zoning will not create significant dislocations of tenants or occupants of the property, or that any impacts are outweighed by other public benefits or progress toward other Colorado Springs Comprehensive Plan goals that would be achieved by approval of the application.
6. If a Land Use Plan or amendment to a Land Use Plan accompanies the application, the Land Use Plan or amendment complies with the applicable criteria in in Subsection 7.5.514C.3 (Land Use Plan Criteria).
7. The application is consistent with any approved Concept Plans in the area for which the map is being amended or includes or is accompanied by a provision that approved Concept Plans that have been classified as implemented do not have to be amended in order to be considered consistent with an amended zoning map.
8. If the application is for creation of an ADS-O district, the approval criteria applicable to the creation of the text of the ADS-O district in Section 7.2.607D.47.5.702 (Decision) shall also apply to consideration of the zoning map amendment required to create or amend the boundaries of the ADS-O district.
9. If rezoning to a PDZ district, the proposed PDZ district provides significant community amenities or other benefits, as determined by the Manager, that promote the achievement of Colorado Springs Comprehensive Plan goals and would not otherwise be required of the applicant under this UDC or other City or governmental regulations.
10. Complies with the additional standards of the base zone district where the property is located (see Article 7.2 (Zone Districts)) or in an overlay district that applies to the property (see Part 7.2.6 (Overlay Districts))

### Statement of Compliance

#### PDZZ-24-0004

After evaluation of the Cottages at Spring Creek Zone Change, the application meets the review criteria.

# APPLICATION REVIEW CRITERIA

## 7.5.514: Land Use Plan

### Criteria for Approval

1. Consistency with the Colorado Springs Comprehensive Plan and other plans and policies adopted by City Council;
2. Consistency with development standards the zone district in which the property is located, or would be located after a requested zone district change;
3. Compatibility with the land uses and development intensities surrounding the property;
4. Impacts of the permitted or requested uses, appropriate to the type of development, the neighborhood, and the community;
5. Adequacy of proposed ingress/egress points and traffic circulation, both on and off the site;
6. Capacity of the existing streets, utilities, parks, schools, and other public facilities to serve the proposed development;
7. Promotion of transitions in height, intensity, or character between proposed non-residential or mixed-use development and nearby low-density residential zone districts.

## Statement of Compliance
