Introduction

Briefly introduce yourself and state your interest in serving on a specific Board, Commission, or Committee

My name is Wendy McHenry and I have been a resident of Colorado Springs since 1985. I moved here as a young adult and immediately fell in love with the city. My husband and I met here and raised our special needs daughter in School District 20. I have been in the hospitality industry my entire adult life. Our industry touches every segment of our population and is a significant economic contributor to the city. I would like to serve on the LART committee because I believe that my professional and personal experiences in this city would be a benefit to the decision making process of how LART funds are spent as well as how we increase LART funding in the future. I also currently serve on the Board of Directors for Visit Colorado Springs and believe that experience is also helpful.
