ABOUT JUST SERVE

Our Mission

The mission of JustServe is to spread hope, goodness, and unity through volunteerism.

JustServe.org is a free website that connects people with meaningful volunteer opportunities while giving community organizations a place to post projects and reach potential volunteers.

Our Beginnings

JustServe was launched in February 2012 in Silicone Valley to help individuals make volunteering a way of life. What began as a localized effort has since grown into a global movement available to community organizations and individuals of all backgrounds.

The Impact of JustServe

- The platform is currently available in 17 countries and territories
- 70,000 new volunteers sign up each year
- 2025, JustServe reached a significant milestone: one million registered users
- More than 200,000 organizations are on the JustServe Platform

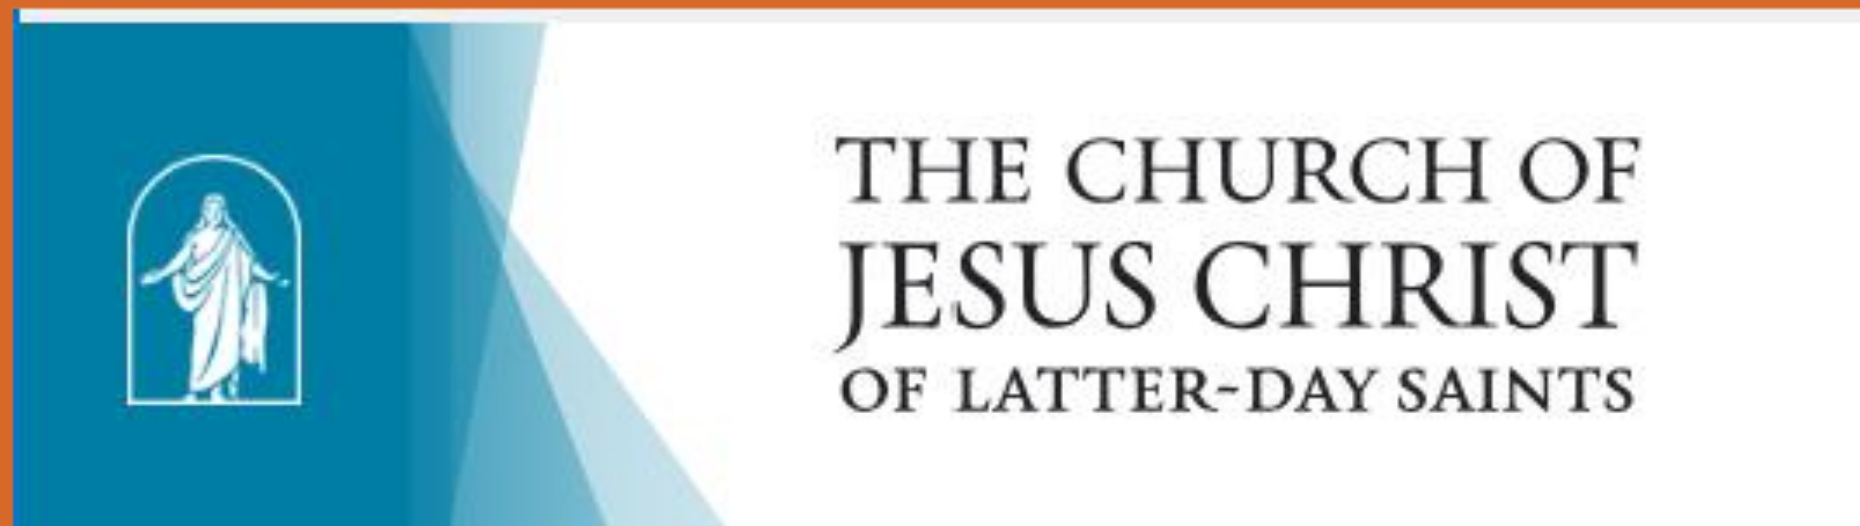

Projects

- **At any given time, about 15,000 active volunteer opportunities exist on the platform including virtual options.**
- **Approximately 30,000 new projects are added each year.**
- **JustServe has helped facilitate more than 185,000 volunteer projects worldwide since its inception in 2012.**
