1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically Section 31-25-1211, C.R.S., requires that the Interquest Town Center Business Improvement District (the “District”) file an operating plan and budget with the City Clerk no later than September 30 of each year.

D. Ownership of Property or Major Assets. The District will own public improvements as constructed if such improvements are not otherwise dedicated to other public entities for operation and maintenance. The District does not currently own any real property.

E. Contracts and Agreements. It is anticipated that the District will enter into various agreements as required to facilitate the funding, construction, operation and maintenance of public improvements. The District is not currently a party to any significant active contracts or agreements. The District may also enter into agreements with other districts encompassing adjacent developments in order to cooperate on infrastructure projects.

A. Organization. The Interquest Town Center Business Improvement District was organized by the City of Colorado Springs, Colorado by Ordinance No. 17-105.

B. Governance. The District is governed by an elected board of directors.

C. Current Board. The persons who currently serve as the Board of Directors are:

- 1) Scott A. Bryan

The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory boards have yet been appointed.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The District map is depicted in **EXHIBIT C**. The District does not anticipate inclusion or exclusion requests in 2026.

4. PUBLIC IMPROVEMENTS

The District will be primarily concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances to provide improvement or services outside of the boundaries of the District as part of the project. The District shall have the authority to provide these improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial improvements and services shall be as limited by state law.

The public improvements that the District anticipates it will construct, install or cause to be constructed and installed, include those public improvements the costs of which may, in accordance with the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., lawfully be paid for by the District, including, without limitation, water services, safety protection

devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscaping and storm and wastewater management facilities and associated land acquisition and remediation.

5. ADMINISTRATION, OPERATIONS, SERVICES, PROPERTY OWNERSHIP, AND MAINTENANCE

The District shall provide for ownership, operation, and maintenance of District facilities as activities of the District itself or by contract with other units of government or the private sector.

6. FINANCIAL PLAN AND BUDGET

A. 2026 Budget. The 2026 Budget for the District is attached as **EXHIBIT B**.

B. Authorized Indebtedness. The District held an election on May 8, 2018 for the purpose of electing directors, authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as may be necessary or convenient for the implementation of Art. X., Sec. 20 of the Colorado Constitution, and the Operating Plan. As set forth in the District's 2017-2018 Operating Plan, the District's initial maximum debt authorization is \$4,000,000. This maximum debt authorization amount shall not be exceeded without express prior approval by the City.

C. Maximum Debt and Operating Mill Levies. The mill levy limitations in the District's previous Operating Plan (being 50 mills for debt service and five (5) mills for general operations and administrative expenses) remain unchanged. The mill levy caps set forth in this paragraph may be subject to upward or downward adjustments addressing any Mill Levy Adjustment or any abatement occurring after, but not before January 1, 2006. Such upward or downward adjustments are to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenue generated by the mill levy, as adjusted for changes occurring after January 1, 2006, are neither diminished nor enhanced as a result of such changes.

D. District Revenues. See the 2026 Budget for the District attached as **EXHIBIT B**.

E. Existing Debt Obligations. The District has been authorized to issue debt pursuant to City Council Resolution No. 54-20. On December 29, 2020, the District issued \$2,860,000 in Series 2020 Limited Tax General Obligation Bonds ("Series 2020 Bonds") to fund Public Improvements. The Series 2020 Bonds bear interest at a rate of 7%, paid semi-annually on June 1 and December 1 of each year, commencing on June 1, 2021. The 2020 Bonds mature on December 1, 2049.

F. Future Debt Obligations. The District does not anticipate the issuance of additional debt in 2026.

G. *Developer Funding Agreements.* The District entered into a Facilities Funding and Acquisition Agreement (8% interest rate) and a Reimbursement Agreement (8% interest rate) with Interquest Town Center, LLC on January 24, 2018. It is anticipated that at the end of 2025, the District will have total developer advances of \$121,888, including principal and interest.

Developer Funding Agreements entered into by this District after January 1, 2023 shall be limited to a term of no greater than twenty (20) years, from the time of the first such agreement, after which time any remaining balances must be either converted to Debt or shall no longer be considered an obligation of the District. The Interest Rate on any Agreements initially entered into, or with additional costs added to after January 1, 2023, shall not exceed the Index Rate plus 400 basis points, and interest shall only accrue on the principal balance.

H. *Other Financial Obligations.* The District may enter into agreements including reimbursement or similar agreements and leases; as well as agreements for ongoing services such as legal, administration, compliance, budget, audit, etc.

I. *City Charter Limitations.* In accordance with 7-100 of the City Charter, the District shall not issue any Debt instrument for any purpose other than construction of capital improvements with a public purpose necessary for development. As set forth in 7-100 of the City Charter, the total Debt of any proposed District shall not exceed 10 percent of the total assessed valuation of the taxable property within the District unless approved by at least a two-thirds vote of the entire City Council.

J. *Limited Default Provisions.* Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

K. *Privately Placed Debt and Related Party Privately Placed Debt.* Prior to the issuance of any Privately Placed Debt for capital related costs, the District shall obtain the certification of an External Financial Advisor regarding the fairness and feasibility of the interest rate and the structure of the Debt. The Interest Rate for Related Party Privately Placed Debt shall not exceed the Index Rate by more than 400 basis points. Related Party Privately Placed Debt shall not be issued with an optional call date of greater than five (5) years from the date of issuance.

L. *End User Fee Limitation.* The District shall not impose an End User Fee for the purpose of servicing District Debt without prior approval of City Council.

M. *Debt Not an Obligation of the City.* The debt of the District will not constitute a debt or obligation of the City in any manner. The faith and credit of the City will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectus, or disclosure statements associated with any securities issued by the District.

N. *Land Development Entitlements.* The District shall not issue Debt, enter into any other Long Term Financial Obligation or certify a Debt Mill Levy unless a Land Development Entitlement has been approved for the property.

7. MUNICIPAL OVERSIGHT OF DISTRICT ACTIVITIES

A. *Audit.* The District agrees to submit an annual audit to the City Finance Department no later than March 31st of each year which is performed by an independent certified public accounting firm. Notwithstanding the foregoing, the District may submit a completed audit exemption application to the City Finance Department in lieu of an annual audit if the District qualifies for an audit exemption.

B. *SID Formation.* The District affirms that it will provide an Amended Operating Plan and seek prior approval of City Council prior to formation of any Special Improvement District or Authority within its boundaries in the future.

C. *City Authorization Prior to Debt Issuance.* In accordance with the City's Special District Policy, and notwithstanding any statements of intent in the Budget and Operating Plan, the District shall request and obtain approval of City Council prior to issuance of any debt in accordance with the financing plan for the District as previously approved. The standards for City approval shall generally be consistent with the City's Special District Policy, as it may be amended, along with the most recently approved operating plan and budget and any requirements or limitations contained therein to the extent that they are consistent with the financing plans for the District.

D. *Public Improvement Fees.* The District utilizes revenues from a public improvement fee. The District may also be the beneficiary of a new, increased or expanded public improvement fee this coming year or in the future.

E. *Condemnation.* The Colorado Revised Statutes do not authorize BIDs to use powers of eminent domain. The exercise of eminent domain authority by any City-authorized district is also specifically prohibited without express prior City Council approval.

F. *Concealed Carry Prohibition.* The District shall not adopt or enact an ordinance, resolution, rule or other regulation that prohibits or restricts an authorized permittee from carrying a concealed handgun in a building or specific area under the direct control or management of the District as provided in C.R.S. § 18-12-214.

G. *Eligible Expenses or Costs for Reimbursement.* In addition to any limits or prohibitions contained in Colorado Revised Statutes, the District shall not issue debt for or otherwise fund any costs or expenses not allowed for by the Special District Policy.

H. *Intergovernmental Agreements.* The District is not party to any intergovernmental agreements and does not anticipate entering into any intergovernmental agreements in 2026.

I. *Overlapping Districts.* There are no overlapping Districts within the District's boundaries.

**INTERQUEST TOWN CENTER BUSINESS IMPROVEMENT DISTRICT
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Interquest Town Center Business Improvement District (The District) was organized to provide the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts. Specific improvements and services provided by the District include water services, traffic and safety protection, sanitation services, street improvements, parks and recreation, transportation, television relay and translation, mosquito control, security, fire protection and emergency medical. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District was organized by Ordinance of the City of Colorado Springs in 2017.

At an election held on May 8, 2018, the voters approved general indebtedness of \$4,800,000 at a maximum interest rate of 18% for each of the following improvements and services: in-district special assessment debt, water, sanitation, streets, traffic and safety, parks and recreation, transportation, security, business recruitment, operations and maintenance, refunding, and reimbursement agreements. The voters also approved an annual increase in taxes at a mill levy rate without limitation or with such limitations as may be determined by the board for the purpose of the District's operations, maintenance, and other expenses and an annual increase in taxes at a mill levy rate without limitation or with such limitations as may be determined by the board for the purpose of the District's capital expenditures. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado Constitution.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The District's Board of Directors certifies the mill levies by December 15 to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Revenues (continued)

Property Taxes (continued)

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2026, HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate
Single-Family Residential	6.25%	Agricultural Land	27.00%
Multi-Family Residential	6.25%	Renewable Energy Land	27.00%
Commercial	27.00%	Vacant Land	27.00%
Industrial	27.00%	Personal Property	27.00%
Lodging	27.00%	State Assessed	27.00%
		Oil & Gas Production	87.50%

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9.5% of the property taxes collected.

Public Improvement Fees

The PIF is a fee imposed under private contract and not through the exercise of any governmental taxing authority. The PIF is applied to the sale of goods and services at a rate of 1.5% in addition to all sales and use taxes that may be imposed and is collected by the retailers in the District and remitted to the District within 20 days after month end.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4%

Debt and Leases

On December 29, 2020, the District issued Series 2020 Limited Tax Obligation Bonds (the Bonds) in the par amount of \$2,860,000.

The proceeds of the Bonds were used to: (i) pay infrastructure costs, (ii) pay bond issue costs, and (iii) fund capitalized interest.

Bond Details

The Bonds bear interest at 7.000% per annum and are payable semiannually on June 1 and December 1, beginning on June 1, 2021 to the extent of available Pledged Revenue. Debt and Leases (continued)

Pledged Revenue

The Bonds are secured by and payable from Pledged Revenue, which means the moneys derived by the District from the following sources: (i) the Required Mill Levy, (ii) PIF revenue, and (iii) any other legally available moneys that the District determines to credit to the Pledged Revenue Fund.

Required Mill Levy

The Required Mill Levy is an ad valorem property tax imposed upon all taxable property of the District each year in an amount sufficient to pay the principal of, premium, if any, and interest on the Bond as the same becomes due and payable, subject to the following limitations:

(i) Subject to paragraph (b) below, the Required Mill Levy (one mill being equal to 1/10 of 1 cent) shall be limited to a maximum of 50.00 mills; provided, however, that such limitation shall be adjusted upward or downward in response to (or to offset) changes in the assessment ratio used for property not classified for assessment as residential or agricultural brought about by changes in the State Constitution or other law. In such event, the Required Mill Levy limitation provided herein shall be increased or decreased, as determined by the Board in good faith, as to all taxable property in the District so that to the extent possible the actual tax revenues generated by the Required Mill Levy, as adjusted, are neither diminished nor enhanced as a result of such changes. Such determination of the Board shall be binding and final.

(ii) Notwithstanding the foregoing, in no event may the Required Mill Levy be established at a rate that would exceed the rate authorized in the District's approved Operating Plan and Budget or cause the District to derive tax revenue in any year in excess of the maximum tax increases permitted by the District's electoral authorization.
