

RESOLUTION NO. _____ - 23

A RESOLUTION ESTABLISHING A REGULATORY ASSET FOR EXPENDITURES ASSOCIATED WITH MARTIN DRAKE POWER PLANT'S OBSOLETE INVENTORY AND DECOMMISSIONING COSTS

WHEREAS, Colorado Springs Utilities (Utilities) is subject to regulation by the Colorado Springs City Council with respect to rates charged for services, budgeting, accounting, and other matters pertaining to regulated operations; and

WHEREAS, Utilities, in accordance with industry best practices, follows Generally Accepted Accounting Principles (GAAP) and the additional Governmental Accounting Standards Board (GASB) Pronouncements, as applicable; and

WHEREAS, Utilities applies the provisions of GASB Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA ("GASB 62") when relevant circumstances arise; and

WHEREAS, in accordance with GASB 62, Utilities should, if allowed, capitalize all or part of the costs that would otherwise be charged to expense if: (1) it is probable that future revenue will result from inclusion of that cost in allowable costs for rate-making purposes; and (2) based on available evidence, the future revenue will be provided to permit recovery of the previously incurred cost rather than to provide for expected levels of similar future costs; and

WHEREAS, Utilities proposes to utilize, in accordance with GASB 62, the recognition of a regulatory asset for costs associated with Martin Drake Power Plant's obsolete inventory and decommissioning expenditures that would otherwise be expensed as incurred each year; and

WHEREAS, the estimated expenditures for the proposed regulatory asset are outlined in Schedule 1, which are attached and made a part of this Resolution; and

WHEREAS, upon City Council approval, a regulatory asset valued at \$20,525,070 (as generally described in Schedule 1 attached) would be established starting January 1, 2023, and continuing through December 31, 2024, containing costs associated with Martin Drake Power Plant's obsolete inventory and decommissioning costs and appropriately captures the long-term benefit of the expenditure.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLORADO SPRINGS:

Section 1. That the establishment of the above-described Regulatory Asset in the amount of \$20,525,070 and the amortization schedule are approved.
